I have attached the Quality Assurance Project Plans for the Hurricane Harvey Response. These are in approvable form. I recommend that you each sign the two QAPPs.

I will circulate the Signature page for original signatures. As the Regional Quality Assurance Manager. Mr. Helmick is out of the Office I will sign for Mr Helmick.

The QAPPs are living documents and changes will be made due to changing requirements and field conditions. These changes will be documented and revisions will be made to the QAPPs.

David
